**Section IV. Advancing Abortion into APC Scope of Practice: Evidence and Methods 40**

**A. Professional-Organization Position Statements on Abortion Care by APCs .....41**

All APC professional organizations can be considered pro-choice organizations. ....	42
APC professional organizations support CNMs, NPs, and PAs as abortion providers. ....	42
Public health, physician, and specialty organizations support CNMs, NPs, and PAs as abortion providers. ....	43
<b>B. Essential Elements of Professional Practice That</b>	
Establish APCs as Qualified Providers of Abortion Care ....	43
Practice Philosophies by Organization.....	44
Practice and Professional Performance Standards by Organization.....	44
Practice Competencies by Organization.....	45
Codes of Ethics by Organization.....	46
<b>C. Evidence of Education and Training in Abortion Care</b> .....	48
Abortion Care Education and Clinical Training in APC Education Programs.....	48
<b>D. Evidence of Legislative, Legal &amp; Regulatory</b>	
Environments: Provider Restrictions and Legal Strategies for Establishing Abortion as within APC Scope of Practice .....	50
State Legislative Changes .....	51
State Judicial Rulings .....	51
State Administrative Regulations .....	52
State Attorney General Decisions.....	52
<b>Figure IV.1</b> Proactive Regulatory Strategy: Washington State Attorney General Issues Opinion Affirming Authority of ARNPs to Prescribe Medication Abortion .....	54
State Administrative Body Opinions and Decisions .....	54
<b>Figure IV.2</b> When Politics Trumps Evidence .....	56
<b>E. Applying the Evidence: How Professional and Licensing Boards Assess or Advance Scope of Practice</b> .....	57
Nursing Models for Advancing Scope of Practice .....	57
PAs and the Medical Model .....	58
<b>F. Strategies for Working with State APC</b>	
Regulatory Boards .....	59
<b>Figure IV.3</b> Getting to Know Your State's Professional Regulatory Boards.....	61
<b>G. Case Studies: Montana, New York, Oregon, Arizona, and Alaska</b> .....	61
Montana Constitutional Right to Privacy Trumps the State Legislature's PA Abortion Restriction: Then & Now .....	61
Resolving the Legal Ambiguities Affecting APCs in New York .....	63
Oregon State Board of Nursing Investigation Results in Abortion Scope of practice Opinion .....	64
Scope of Practice: Politics Meddling in Professional Norms in Arizona .....	65
Alaska Board of Nursing Affirms One NP's Scope of Practice to Include Uterine Aspiration .....	66
